

Production Worker

Description

The warehouse is the heart and soul of our operations at United Catalyst Corporation. As a production worker you will process all material received and ensure that it leaves our facilities in a timely manner to meet organizational goals and deadlines. The production worker will assist with material handling, counting and sorting, de-canning, and milling and other duties as assigned.

Responsibilities

- Feed raw materials into production machinery
- Carry out basic quality control on processed material
- Store processed materials in designated areas
- Pack material to be shipped
- Maintain work areas and equipment
- Work on projects as needed
- Adhere to company's quality and safety standards

Requirements

- Strong work ethic and organizational skills
- Regular attendance required
- Experience with handtools is a plus
- Able to multi-task in a fast-paced warehouse environment
- Capable of lifting 50 pounds unassisted
- Able to work on foot for extended periods of time
- Access to reliable transportation
- High school diploma or equivalent

Compensation

- \$13/hour to start
- 40hrs plus x1.5 for hours worked overtime per week
